Must be proper tailored shorts.

There is no excuse for players arriving for a League match - in shorts - at a venue that does not allow shorts - or is particular about what style of shorts (and socks) - may be worn. **Players who are unsure if their 'dress' is suitable, may find it advisable to carry white long trousers in their bowls bag to avoid the possibility of being refused permission to play. Clubs highlighted green have updated their advice for 2017. Clubs with no highlight are presumed to have the same stance on shorts as in 2016**
